**Subject: Regarding utilization of budget for ESIC Establishments.**

Sir/Madam,

It is observed that the budget allocated to individual establishment for executing SR / ARM works are not utilizing fully in financial year and the pace of expenditure in ARM/SR works executing is very less. Also the estimates are not been approved by Dean / MS / RDs resulting in non-executing of tenders, resulting in low pace of expenditure and poor state of maintenance of assets/buildings of ESIC.

It is requested to kindly take prompt action for execution of all ARM / SR works in respective establishment so that the all facilities and services of the buildings can be utilized for providing better services to the beneficiaries.

The action taken reports on the above should be submitted to this office positively by 15.02.2023.

Yours faithfully,
